**Dates: Monday, July 13<sup>th</sup>-Wednesday, July 15<sup>th</sup>**

**Location: Lane Community College (Eugene, OR)**

**Deadline June 12<sup>th</sup>, 2026**

The ITC 2026 Distance Education Leadership Academy is a cohort-based learning experience designed to advance the careers of eLearning advocates and professionals. Using the six leadership competencies designated by the American Association of Community College as a foundation, the DELA will sharpen your leadership skills in the context of digital learning and online education. A faculty team of community college leaders from across the country will lead cohort members through specialized workshops and guided discussions. Each cohort member will use their new experiences to develop a capstone project for their institution and work with an Executive eLearning Coach for personalized support.
